SILENT  
SIMPLICITY

OIL YOUR IMAGINATION ▶ ▶ ▶ ▶ ▶ ▶

The Bubble 2 is the middle-sized stove in our range.

It takes oil-stove design into a new era, where quality, price and performance go hand in hand. The impressive range covers 4 versions

from 5 to 11kW outputs.

The superb coal effect plays a dominant role and is available at outputs of 4kW and over. Simple, reliable, low cost heating, the Bubble 2 is a stove for all reasons.

## Features

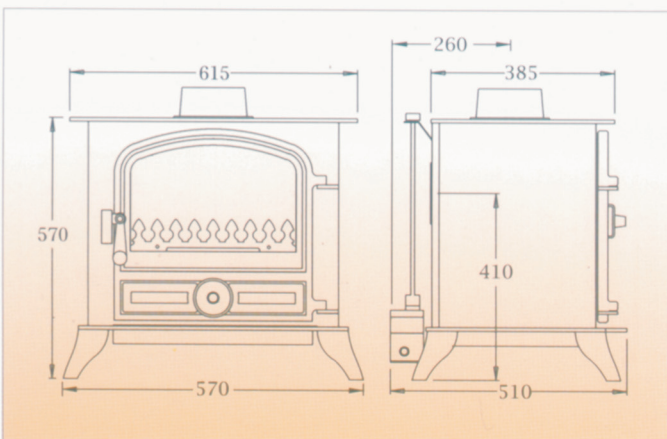

- Can be supplied with or without a coal effect kit. Coal kits are all one piece, making fitting and removal quick, easy and convenient.
- Easy to maintain and service.
- Silent in operation.
- Simple and reliable.
- 28 or 35 second versions available.
- 4 versions to choose from.
- Output from 5 to 11kW.
- 2 vertical or 1 rear flue positions.
- Available in Matt Black or Forest Green.
