

A + Rated Wood Fired Cookers

Thermorossi have extended their range of wood fired cookers with some new and innovative ideas. See the complete range at www.thermorossi.com

Margot Easy & Margherita (Panapizza Cookers)

Panapizza design cookers provide the very best Italian Pizza cooking experience with the new, wood fired cooker.

A+ energy rating and fully 2022 eco design approved, It's a **patented** first from Thermorossi with one oven door covering two ovens.

Both ovens have a removable pizza stone and the top oven is capable of achieving temperatures well in excess of 300 deg C.

The lower larger oven for conventional cooking and baking.

Panapizza provides the opportunity to:-

- **Reduce your electricity and gas bills.**
- Boil your kettle, heat your home and cook all at the same time.
- Genuine stone baked pizza cooking.
- Double oven temperature choices.
- More flexible cooking potential.
