

Note : With time the stone's aspect may change. This is normal and should not be considered as a defect but rather as a patina of the enamel which does not affect its quality or its service ability.

⊗ The cast iron body panels can be cleaned with a proprietary stove cleaner or re-sprayed / touched up using a stove paint. These products are available from your Franco Belge Dealer. q

4. Spare parts

When ordering spare parts, specify **the stove type** and **serial number**, including the colour index (on the guarantee or identification plate), the name of the part and **the part number**.

Example : "Le Beffroi" wood stove, Ref.: 134.08.01, colour ref.: G, top 352140.
